

K-12 Paperless Solution Criteria

Criteria	Helios Ed	Vendor 1	Vendor 2
K-12 Focus	Designed especially for K-12 by K-12.		
User-friendly and Ease of Use	Easy to navigate and use with intuitive web interface. See it for yourself.		
Proven in other Schools/Districts	Schools and districts of all sizes and types use Helios. See our Success Stories.		
Talks to Other Systems	Interfaces with other school systems. Reduces double entry and errors.		
Cost	Cost-effective and discounts available. Proven savings of time and money.		
Comprehensive System	Covers the entire employee lifecycle - use one or more modules. You can grow with the system as your needs grow.		
Implementation and Training	Work with a live specialist to walk you through the process. Adoption is streamlined and training is offered.		
Support	Friendly team backing the system. Read about our customer service.		
Care about Schools	We are not a huge corporation. We know our customers by name. Who do you think will care more about your needs?		
What is Important to You?	We would love to understand your priorities.
